System Structure

3

Platform Introduction

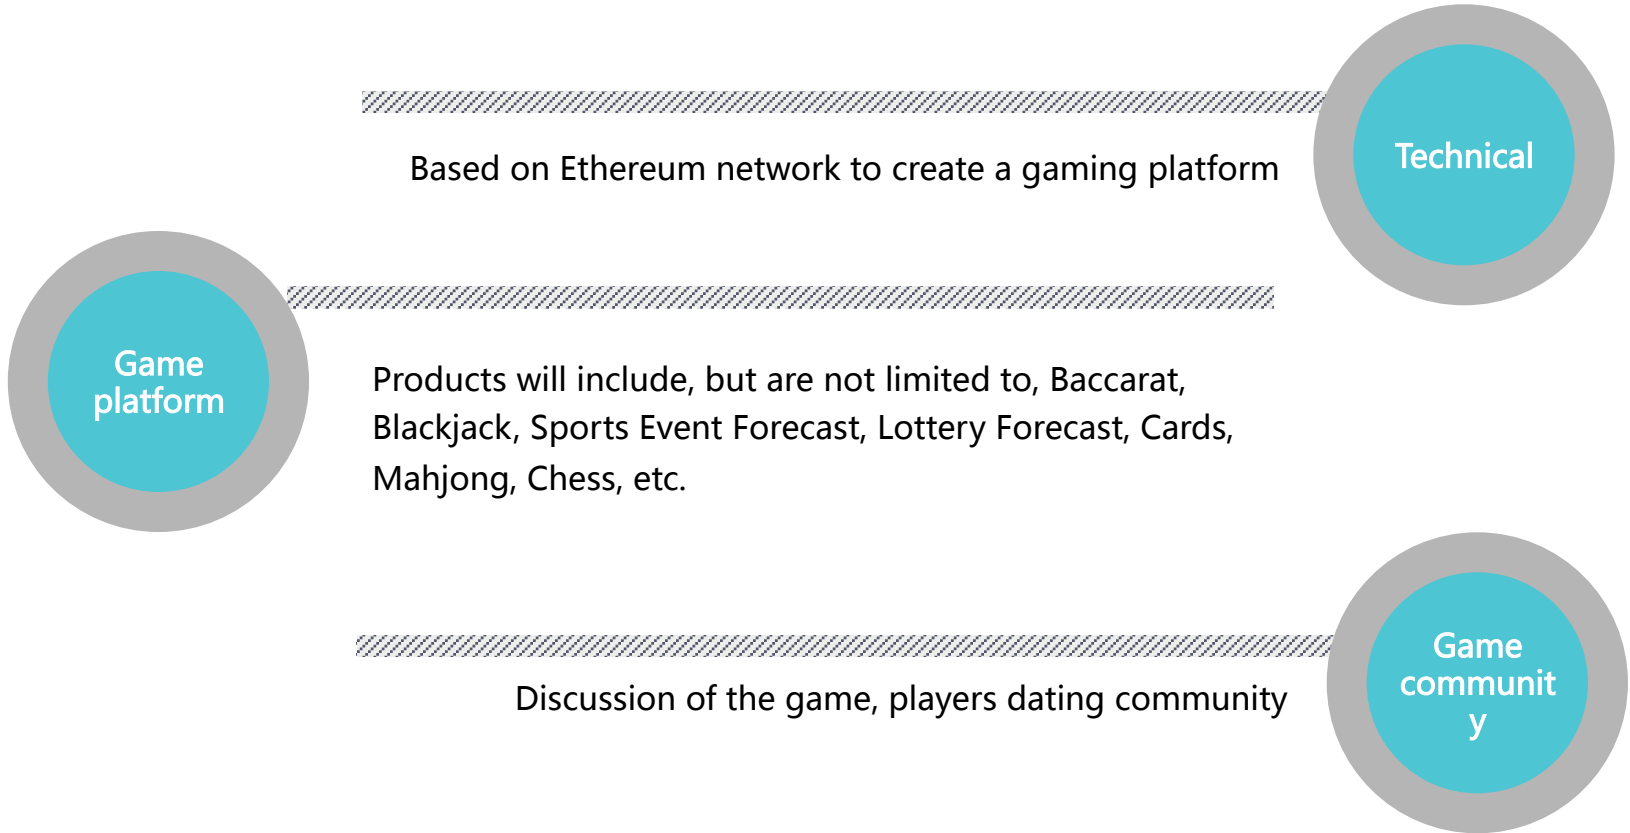

4

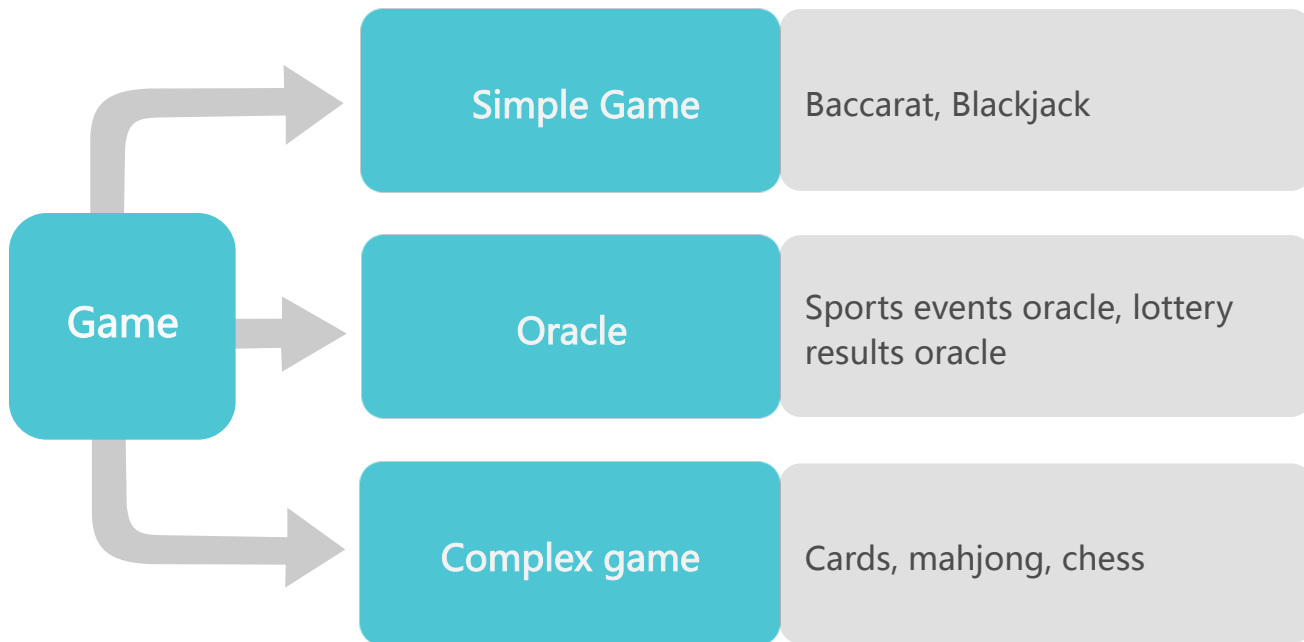

Road Map

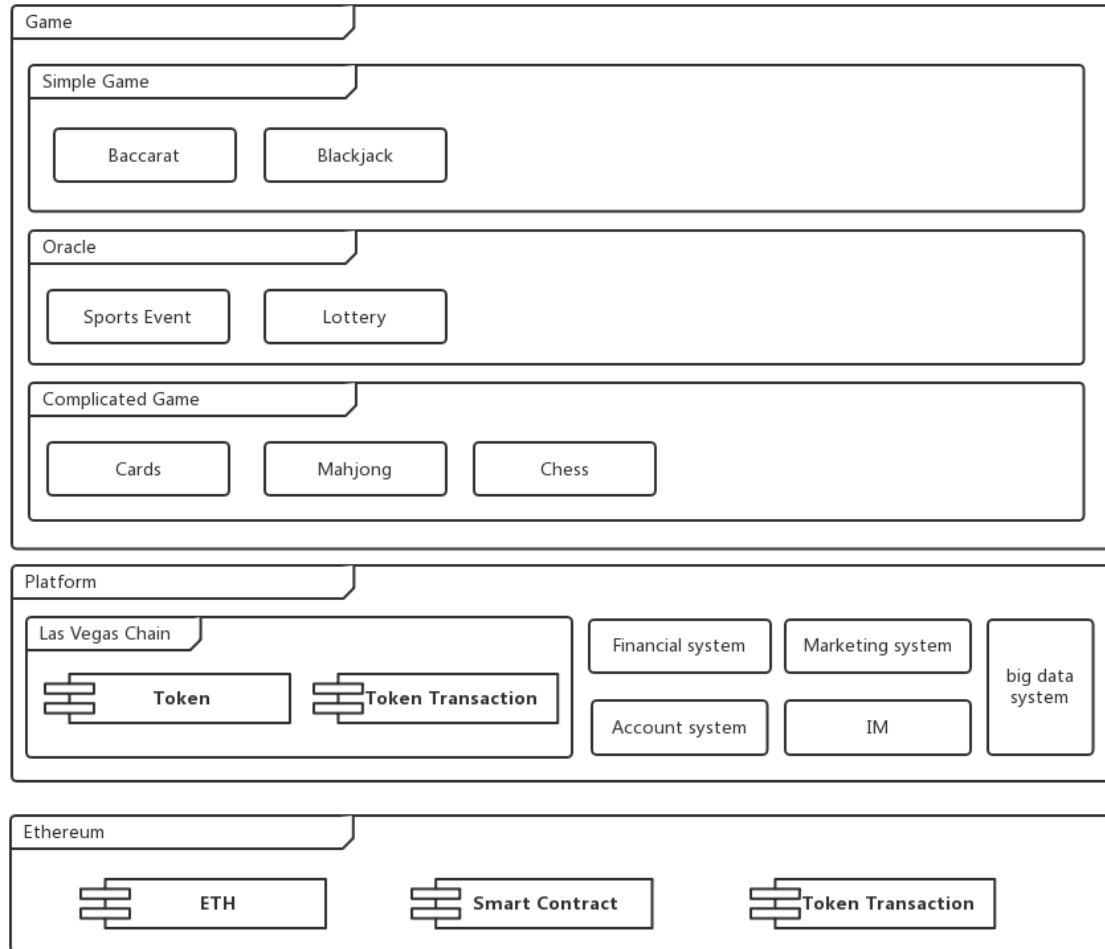

5

Token Introduction

- Build the best gaming platform in the blockchain network.
- Helping people who hold cryptocurrency get Las Vegas experience anywhere, anytime.

stable

The system is stable and continues to provide services

Fair
transparent

The rules of the game are open, the algorithms are open, and the best is to make the algorithm fair. Based on the blockchain to confirm the outcome of each game, open and transparent, platform revenue is also open and transparent.

Innovation

Constantly updated gameplay, innovative design more exciting gameplay

Rules
open

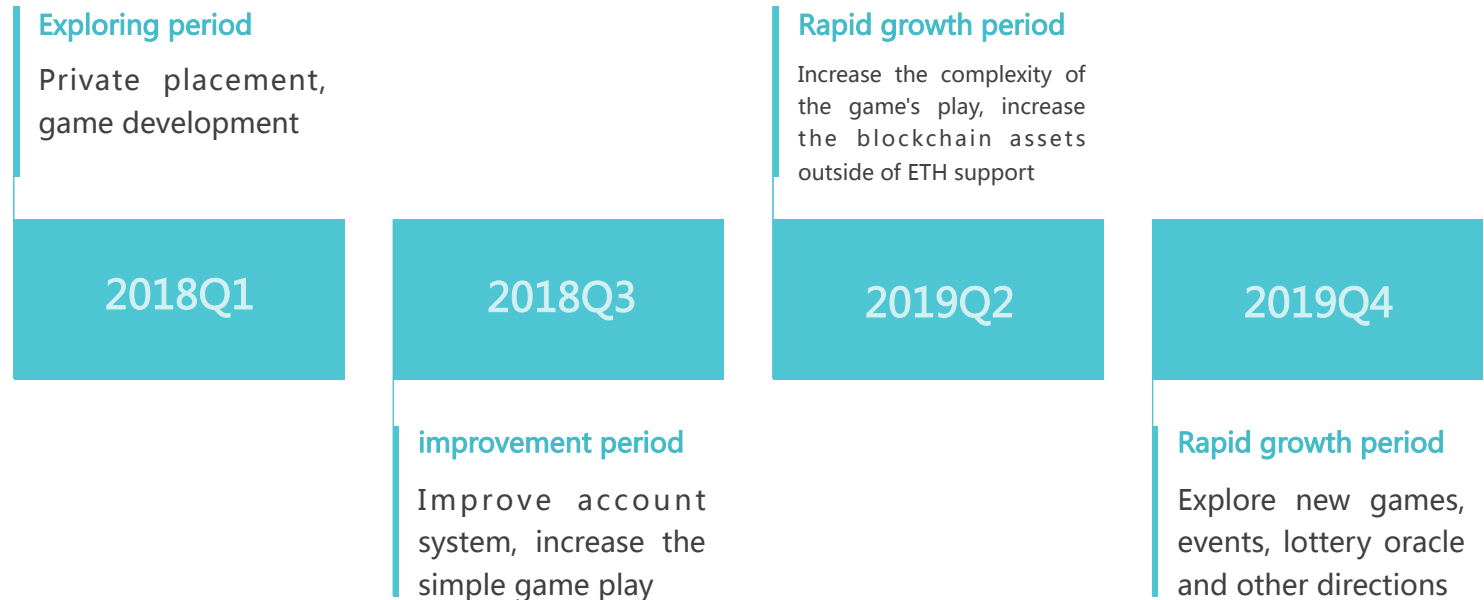

Based on the blockchain to confirm the outcome of each game, open and transparent, platform revenue is also open and transparent.

Informati
on
disclosure

The rules of the game core code completely open, to the greatest extent possible be fair and equitable

Players can interact with the platform to develop the rules of the game, such as poker players require cut cards.

- 4. Now you can see the number of LVCT tokens you have.

- Risk description, please be careful to participate in private placement
 - R & D progress has hindered the project failed
 - Slow user growth.
 - Platform revenue growth slow.
 - Docking the exchange failed.

- The core team in the United States is mainly responsible for the overall operation of the company and the operation and promotion of the U.S. market. Branches will be set up in Japan, Europe, South Korea, Australia and Canada and will be responsible for local market operation and promotion. Product development staff located in Silicon Valley, Tokyo, London, Singapore, Sydney and other places, remote collaboration.
- Due to the sensitivity of the content of the project, the team members will not be introduced for the time being. We may communicate with us at the Group of Telegrams (<https://t.me/lasvegaschain>) in case of any problems.

The world of blockchain has just opened the door, we want to go in and see,
please support us, Share the dividends for the development of the industry
with us, thank you ~

Las Vegas Chain
